

Botswana Nurses Union (BONU) Application Requirements Document

1. Introduction

The Botswana Nurses Union (BONU) intends to develop a digital platform that will allow members to register, manage their memberships, apply for various union services, and make payments online.

The solution will consist of two portals:

1. **Customer Portal (Member Portal)** – Used by BONU members to register, manage their profiles, apply for services, track applications, and make payments.
 2. **Back Office Portal (CSR Portal)** – Used by Customer Service Representatives (CSRs), administrators, and management staff to review, approve, process, and manage member applications and services.
-

2. Customer Portal Requirements

2.1 Member Registration and Authentication

The system shall allow users to:

- Register as BONU members.
- Create and manage accounts.
- Login using username/email and password.
- Reset forgotten passwords.
- Update personal information.
- Upload supporting documents.
- View membership status.
- View payment history.

Membership Information Collected

Personal Information

- Full Name
- National ID / Passport Number
- Date of Birth
- Gender

- Marital Status
- Occupation
- Employer
- Employee Number

Contact Information

- Mobile Number
- Alternative Contact Number
- Email Address
- Physical Address
- Postal Address
- District
- Region

Employment Information

- Employer Name
- Work Station
- Department
- Employment Date
- Salary Information

Supporting Documents

- National ID Copy
- Passport Photo
- Employment Confirmation Letter
- Recent Payslip
- Additional Supporting Documents

3. Membership Subscription Service

Members shall be able to:

- Apply for BONU membership.
- View membership details.
- View membership benefits.
- Pay monthly membership subscriptions.
- Track payment history.
- Download membership confirmation letters.

Membership Payments

The system shall:

- Calculate monthly membership subscriptions.
 - Record payment transactions.
 - Generate receipts.
 - Track outstanding balances.
 - Automatically allocate deductions towards subscribed services.
-

4. Funeral Insurance Service

The system shall allow members to apply for funeral insurance cover.

Features

- Apply for funeral cover.
- Select desired cover level.
- Add dependents/beneficiaries.
- Upload supporting documents.
- View cover status.
- View monthly premium amounts.

Premium Deductions

The system shall:

- Calculate funeral cover premiums.
 - Deduct premiums from the member's monthly membership payment.
 - Display premium breakdowns.
 - Track policy status.
-

5. Legal Aid Insurance Service

The system shall provide legal aid insurance services to members.

Covered Services

Family Legal Matters

- Child Custody
- Divorce

- Child Access
- Adoption
- Division of Joint Estates

Civil Legal Matters

- Breach of Contracts
- Debt Collection
- Lease Agreement Drafting
- Syndicate Contract Drafting
- Memorandum of Sale Drafting
- Motor Vehicle Sale Agreements
- Cost of Repair Disputes
- Human Rights Matters
- Property Transfers
- Motor Vehicle Accident Claims

Labour Matters

- Unfair Dismissal
- Constructive Dismissal
- Unfair Retrenchment
- Underpayment of Wages
- Representation in Disciplinary Hearings
- Unfair Demotions

Complimentary Matters

- Will Drafting and Registration
- General Legal Advice
- Regulatory and Statutory Consultations

Features

Members shall be able to:

- Apply for legal aid services.
- Submit supporting documents.
- Track case progress.
- Communicate with assigned CSR.
- View legal aid subscription status.

Payment Processing

The system shall:

- Calculate legal aid premiums.
 - Deduct premiums from monthly membership contributions.
 - Generate legal aid invoices and receipts.
-

6. Loan Application Assistance Service

BONU shall assist members in applying for loans from partnered financial institutions.

Features

Members shall be able to:

- Submit loan requests.
- Select preferred bank.
- Upload supporting documents.
- Track application progress.
- View loan approval status.

CSR Processing

CSRs shall:

- Review applications.
- Verify documents.
- Communicate with financial institutions.
- Update application status.
- Approve or reject applications.

Loan Repayments

If approved:

- Loan repayment amounts shall be deducted from the member's monthly membership payment.
 - The system shall track repayment balances.
 - Members shall be able to view repayment schedules.
-

7. BONU Micro-Lending Service

BONU shall provide internal micro-loans to members.

Features

Members shall:

- Apply for micro-loans.
- View eligibility criteria.
- View loan limits.
- Upload supporting documents.
- Track loan status.

Processing

CSRs shall:

- Review applications.
- Approve or reject applications.
- Generate loan agreements.

Repayments

The system shall:

- Calculate repayment schedules.
 - Deduct loan repayments from monthly membership deductions.
 - Display loan balances and payment history.
-

8. Merchandise Store Service

BONU shall provide an online merchandise store.

Merchandise Examples

- Uniforms
- Branded Clothing
- Bags
- Accessories
- Promotional Items

Features

Members shall be able to:

- Browse merchandise.

- Add items to cart.
- Place orders.
- View order history.
- Track deliveries.

Payment Options

Cash Purchase

- Pay immediately during checkout.

Credit Purchase

- Purchase merchandise on credit.
 - Monthly repayments deducted from membership contributions.
-

9. Electronic Contract Services

BONU shall offer electronic contract purchases for gadgets and devices.

Products

- Mobile Phones
- Laptops
- Tablets
- Routers
- Other Approved Electronic Devices

Features

Members shall:

- Browse available products.
- Submit purchase requests.
- View payment schedules.
- Track approval status.

Payment Processing

The system shall:

- Calculate installment plans.
- Generate electronic agreements.

- Deduct monthly installments from membership payments.
 - Track outstanding balances.
-

10. Customer Dashboard

The customer dashboard shall display:

- Membership Status
 - Active Services
 - Outstanding Balances
 - Monthly Deduction Breakdown
 - Payment History
 - Application Statuses
 - Notifications
 - Announcements
 - Available Benefits
-

11. Back Office Portal (CSR Portal)

11.1 Member Management

CSRs shall be able to:

- View member profiles.
 - Update member information.
 - Verify uploaded documents.
 - Activate or suspend memberships.
 - Manage member records.
-

11.2 Application Management

CSRs shall be able to:

- Review submitted applications.
- Request additional information.
- Approve applications.
- Reject applications.

- Escalate applications.
 - Track processing progress.
-

11.3 Payment Management

CSRs shall be able to:

- View payment records.
 - Process manual payments.
 - Reverse transactions when authorized.
 - Generate receipts.
 - Generate invoices.
-

11.4 Loan Management

CSRs shall be able to:

- Review loan applications.
 - Approve or reject loans.
 - Generate loan schedules.
 - Monitor repayments.
 - Manage loan arrears.
-

11.5 Merchandise Management

CSRs shall be able to:

- Add merchandise.
 - Update merchandise.
 - Manage inventory.
 - Process orders.
 - Track deliveries.
-

11.6 Electronic Contract Management

CSRs shall be able to:

- Add products.
 - Manage product catalogues.
 - Review purchase requests.
 - Generate installment agreements.
 - Monitor repayments.
-

11.7 Legal Aid Management

CSRs shall be able to:

- Register legal aid requests.
 - Assign legal advisors.
 - Track case progress.
 - Manage legal aid subscriptions.
-

12. BONU Membership Activation Campaign Requirements

The system should support member activation and registration campaigns conducted at healthcare facilities.

Activities

- Register New Members
- Update Funeral Policies
- Update Member Information (KYC)
- Merchandise Sales
- Device Sales (Phones, Laptops, Routers)
- Legal Aid Information Services
- Loan Application Assistance

Required Documents

Members should provide:

- National ID Copy
 - Recent Payslip
 - Employment Confirmation Letter
-

13. Reporting Requirements

The system shall generate reports for:

- Total Members
 - Active Members
 - New Registrations
 - Membership Revenue
 - Funeral Cover Revenue
 - Legal Aid Revenue
 - Loan Applications
 - Approved Loans
 - Micro-Loan Performance
 - Merchandise Sales
 - Electronic Contract Sales
 - Outstanding Balances
 - Payment Collections
 - Regional Statistics
 - Branch Performance
-

14. Notifications

The system shall send:

- SMS Notifications
- Email Notifications
- In-App Notifications

For:

- Membership Approval
 - Payment Confirmations
 - Application Status Changes
 - Loan Approvals
 - Loan Repayments
 - Merchandise Orders
 - Legal Aid Updates
 - System Announcements
-

15. Integration Requirements

The system should support integration with:

- Payment Gateways
 - Banks and Financial Institutions
 - SMS Providers
 - Email Services
 - Accounting Systems
 - Identity Verification Services
 - Insurance Providers
 - Legal Aid Partners
-

16. Future Enhancements

- Mobile Application (Android & iOS)
- Digital Membership Cards
- QR Code Verification
- AI-Powered Member Support Chatbot
- Online Appointment Booking
- Document E-Signatures
- Payroll Deduction Integration
- Self-Service Loan Eligibility Checker

This document can serve as the foundation for a full BRD, system architecture design, and project estimation for the BONU digital platform.
